

May 2013

**CURRICULUM VITAE**  
**George (Brick) Reter Johnstone, Ph.D., ABPP**

**ADDRESS**

Department of Health Psychology, DC116.88  
University of Missouri, School of Health Professions  
Columbia, MO 65212  
(573) 882-6290  
[johnstoneg@health.missouri.edu](mailto:johnstoneg@health.missouri.edu)

**LICENSURE/CERTIFICATION**

License: Psychologist, Missouri License #PYR0266  
Certification: Diplomate, American Board of Clinical Neuropsychology (ABCN)

**EDUCATION**

University of Washington Medical School, Seattle, Washington, Neuropsychology Postdoctoral Fellowship, 1988-90.  
  
University of Georgia, Athens, Georgia, Child Clinical Psychology, Ph.D., 1988; M.S., Clinical Psychology, 1986.  
  
University of Washington Medical School, Seattle, Washington, Psychology Internship (APA Approved), 1986-87.  
  
Duke University, Durham, North Carolina. Majors: Psychology/Art History, B.S., 1984.  
  
Oxford University, Oxford, England, A.B. Duke Scholar Summer Program. Subject: 20th Century British History, 1983.

**ACADEMIC APPOINTMENTS**

Professor, Department of Health Psychology, University of Missouri School of Health Professions, 2001-present.  
  
Assistant/Associate Professor, Department of Physical Medicine and Rehabilitation, University of Missouri School of Medicine, 1990-2001.  
  
Acting Instructor, Department of Psychiatry and Behavioral Sciences, University of Washington, 1989-90.

**ADMINISTRATIVE RESPONSIBILITIES**

Project Director, Spirituality and Health Project, MU Center for Religion, the Professions, and the Public. Funded by the Pew Charitable Trusts. 2006- present.  
  
Chair, Department of Health Psychology, University of Missouri School of Health Professions, 2001-2008.  
  
Director, Division of Clinical Health Psychology and Neuropsychology, Department of Physical Medicine and Rehabilitation, University of Missouri School of Medicine, Columbia, Missouri, 1995-2001.  
  
Director of Neuropsychology, Department of Physical Medicine and Rehabilitation, University of Missouri School of Medicine, Columbia, Missouri, 1990-2001.

**HONORS**

Fellow, Center for Theological Inquiry, Princeton University. Inquiry on Religious Experience & Moral Identity. 2013-14.  
  
Roger G. Barker Distinguished Lifetime Research Contribution Award, APA Rehabilitation Psychology Division, 2013.  
  
Fellow, American Psychological Association, Division 22 (Rehabilitation Psychology), 2005.  
  
Fulbright Scholar. J. W. Fulbright Scholar Program. National University of Ireland, Galway, Fall 2004.

Senior Fellow, Center for Religion, the Professions, and the Public, University of Missouri. Funded by the Pew Charitable Trusts. Winter Semester 2004.

Missouri Head Injury Advisory Council, Outstanding Research Contributions, May 2002.

Fellow, National Academy of Neuropsychology, 2000.

Harold Yuker Award for Research Excellence, APA Division 22 (Rehabilitation Psychology), in recognition of outstanding paper published in Rehabilitation Psychology (Callahan and Johnstone) entitled "Predicting rehabilitation outcomes: The twisted pear revisited," August, 2000

### **GRANT SUPPORT**

#### **Current Grant Support**

PI. MU Rural Health Psychology Internship Program. HRSA Mental and Behavioral Health Education and Training Grant. 2012-2015. \$474,174.

#### **Past Grant Support**

Co-PI. Traumatic Brain Injury Distance Learning Development Project. HRSA TBI Implementation Partnership Grant (through Missouri DHSS; Stephanie Reid-Arndt, PI). 2009-2013. 5-10% FTE.

Principal Investigator. A Health Professional Health Literacy Curriculum. Missouri Foundation for Health. 2010-2012, \$287,915, 30% FTE.

Principal Investigator. An MRI Study of Selflessness in Persons with TBI. MU Research Board. 2010-2011. \$46,797.

Investigator. Worksite Intervention to Improve Employment Outcomes for Persons with Arthritis. Research project of the \$4 million NIDRR funded Missouri Arthritis Rehabilitation Research and Training Center (J. Parker, PI, US Dept of Education #H133B031120). 2003-2009, \$592,053. 10-25% FTE.

Project Director, Spirituality and Health Project, MU Center for Religion, the Professions, and the Public. Funded by the Pew Charitable Trusts. 2006- 2009, \$1.4 million, 30%FTE.

Principal Investigator. Rural Missouri Rehabilitation Psychology Internship Program. HRSA Graduate Psychology Education Program. 2003-2004. \$121,333. Refunded for 2004-2007. \$462,567. 20% FTE.

Principal Investigator. Validation of a Neuropsychological Model of Spirituality. MU School of Health Professions Research Catalyst Award. 2007, \$1,350.

Co-Investigator. Evaluation of a Brain Injury Early Referral Program. Laura Schopp/Stephanie Reid-Arndt, Principal Investigators. Funded by the Missouri Department of Health and Senior Services. 2005, \$70,000.

Co-Investigator. Traumatic Brain Injury Statewide Needs Assessment. Laura Schopp, Principal Investigator. Funded by the Missouri Head Injury Advisory Council. 2003-2004, \$75,000.

Co-Investigator. Predicting Positive Outcomes among Cancer Survivors: Individual and Social/Environmental Factors (Stephanie Reid-Arndt, PI, NIH/NCI R01 CA108340-01). 2004-05. \$147,000. 1% FTE.

Principal Investigator. Missouri Model Brain Injury System (MOMBIS). National Institute for Disability and Rehabilitation Research. 1998-2002, \$1,380,000. 35-45% FTE.

Consultant. Traumatic Brain Injury Demonstration Grant funded by the Division of Maternal, Child, and Family Health, Bureau of Special Health Care Needs, Missouri Department of Health. February - September 1998, 12% FTE. 1998 - 1999, 7% FTE.

Co-Investigator: Missouri Rehabilitation Research Training Program (T32). National Institute of Health, Center of Rehabilitation Medicine. 1994-1999; 2000-2005. 5% Effort.

Co-Principal Investigator: Creating Permanent Behavioral Health Access for Rural Missourians with TBI: Teleconferencing Applications for Improved Services. National Institute for Disability and Rehabilitation Research Field Initiated Demonstration Grant (Laura Schopp, PI). 1998-2001, \$299,000. 10% FTE.

Principal Investigator: Long Term Training - Rehabilitation Psychology. U.S. Department of Education (Rehabilitation Services Administration). 1991-1994, \$221,994. 25-33% Effort.

Principal Investigator: In home behavioral management of the Alzheimer's patient: A training program for family caregivers. Funded by Alzheimer's Disease and Related Disorders Association (originally awarded to David Tucker, Ph.D. 1990-1991), \$16,756. 25% Effort.
